FRESH-BAKED PASTRIES

SCONE-OF-THE-DAY

Perfectly paired with a cup o' tea! Our flavours change daily.

AGED CHEDDAR & GREEN ONION BISCUIT

These soft and buttery biscuits are packed full of aged cheddar cheese and green onions. Try it on its own or as a breakfast sandwich! Yum!

BUTTER CROISSANT

Our classic Butter Croissants are a Rocket staple! Also used for our Best Kind Breakfast Sandwiches.

SCHNECKE

Rhymes with neck! Glazed, delicious croissant dough enfolds lemon curd, white chocolate, coconut, and toasted almonds!

ROCKET'S FABULOUS FLAKIE

Rocket's popular Flakies are baked fresh daily and filled with fresh whipped cream and raspberry jam. We offer different flavours every Friday!

CINNAMON BUN

Since we opened in 2011, our Cinnamon Buns have been known as Sinful! Try one and see why!

CHOCOLATE DANISH

A delicious flaky pastry filled with chocolate!

APPLE FLIP

Homemade croissant dough filled with a sweet, cinnamon apple filling!

SWEET TREATS

ROCKET'S LAYER CAKE

A lovely, light and not-too-sweet piece of either chocolate or lemon cream layered between with our delicious sponge cake.

COWBOY COOKIES

Take an oatmeal cookie and pack it full of peanuts, chocolate chips, coconut, raisins and cornflakes, and you get a Rocket favourite!

GRANOLA BARS

The perfect NO-FLOUR pick-me-up! Made with oatmeal, chocolate chips, seeds, and cranberries!

BREAD PUDDING

Another of our most popular dishes, our Bread Pudding is made with our croissants and topped with homemade salted caramel! YUM!

CHOCOLATE CHUNK COOKIES

Soft-baked classic Chocolate Chunk Cookies!

CASABLANCA BAR

A delicious combination of ground peanuts, honey, caramel and chocolate! No flour added!

BALLISTIC BROWNIE

Fudgy chocolate topped with cream cheese icing!

***Note: "No Flour Added" is our way of saying that we don't add flour to a recipe. However, we can't guarantee that any item at Rocket is "Gluten Free" as we are a wheat-based bakery and there may be flour particulates in the air.**
